Interested in understanding how freestyles are put together? Curious as to how choreography is gamified? Ready to listen to all kinds of music? Join Collier Wimmer owner of Three Wishes Freestyles for a two-day freestyle clinic. Whether you are keen on understanding freestyle theory, looking to create a freestyle or simply wanting to find music to ride to, all are welcome! There will be music, food, learning, and fun.

Day One: Starting in the morning with a lecture on her work process and freestyle philosophies, Collier kicks us off with a freestyle breakfast chat. Then each horse/rider combination will have 50-minute lesson with Collier. As she gets to know the pair, together they will start to find the perfect music.

Day Two: A 50-minute lesson serves as a deep dive in to the music selection from the first day, along with beginning to map out pieces of the choreography.

After the clinic, riders and auditors will have Collier's contact info if they wish to continue to work on their freestyle or have questions! Collier will send each rider their music selections and any choreography they worked on.
