WESTERN DRESSAGE in 2022

New Tests, New Levels, New Movements!

By Sara Justice, USEF "I" Judge, Western Dressage

Northern Ohio Dressage Association

Programs and Resources for WESTERN DRESSAGE Riders

"It's about the journey" is the motto of the Western Dressage Association of America (WDAA). At every WDAA sponsored event, you will see this motto or hear it said by clinicians and presenters. And it is true- western dressage should be a positive journey for horse and rider. Western dressage promotes harmony of horse and rider and encourages horses and riders to grow and learn as they progress up the levels.

While similar to classical dressage in many ways, western dressage does have a few differences other than tack and apparel. The training wheel, which "depicts the training basics needed to reach the ultimate goal of Lightness and Throughness with Harmony", is slightly different than the training pyramid familiar to classical dressage riders. The idea is that the rider, including their position and seat and correct and effective use of the aids, ensures that all of the spokes- rhythm, suppleness, connection, impulsion, straightness, and collection- are thought of at all stages of training. While a Intro or Basic level horse won't be showing collection in a test, keeping the ideas of straightness and collection in mind when schooling instead of looking at them as some of impossibly high step to reach makes moving up the levels feel like less daunting of a task, as the horse is already being asked to think about such things while working.

Grants and Scholarships for AA's and Youth

Adult amateur and youth scholarships may be used for any educational dressage event for classical and Western dressage riders including dressage clinics, seminars, symposiums, lessons, and other dressage education events. Find out more about [scholarships](#).

Grants for NODA Member Professionals

The NODA Professional Grant fund is designed to help further the professional horse person's education at seminars, USEF or USDF events, programs, or functions (excludes riding clinics). Find out more about [Grants](#) – scroll to the bottom of the page.

Western Unrecognized/Schooling Show Classes

NODA offers WDAA Western dressage tests at all schooling shows and the schooling show championships. Find out more about [schooling shows](#).

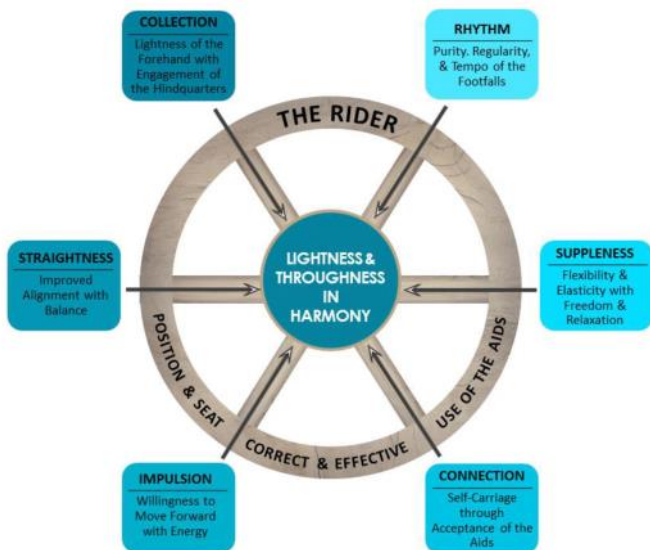

Annual Year End Ribbons, Scholarships, and Trophies

NODA has a year end award program which includes Year-end Championship Ribbons and Scholarships in the amount of \$75 awarded to the horse/rider combination with the highest average score in each of the listed levels and divisions including Western dressage. There are trophies specific to Western dressage [Awards](#)

Member Professional Incentive Program (PIP)

Earn PIP points worth \$\$\$ for bringing your member students and their horses to NODA shows.

This is an incentive to NODA members who are professionals to support NODA shows- both schooling and recognized. Professionals earn points for every NODA member client ride or the pro riding a NODA member clients horse. Each 10 rides earns 25 PIP points worth \$25. PIP credit may be used for any NODA event- clinics, schooling shows, banquet, membership etc. Find out more at [PIP](#)

Sara Justice

Westerndressage@nodarider.org

I attended the WDAA Judges' Seminar in Denver in February. There was anticipation from attendees to learn about the new tests and new movements, and the presenters showed and judged a number of demonstration videos provided by prominent western dressage competitors and judges to help current judges and judge candidates learn the new requirements. Odd numbered tests initially track left, while even numbered tests initially track right, creating uniformity through the levels. At Level 3 and above, tests were streamlined to make it easier for the caller by removing letters between the movements. For example, a rider who returns to a collected jog at P after a lengthening does not need to be told to remain in collected jog until the next movement, shoulder in from K-E.

At Level 2, riders will show a sidepass of four strides to the left and right in test 2 and 4. The horse must remain at a walk tempo while stepping to the side and crossing its legs. The horse should be straight or in slight flexion toward the direction of travel.

Level 3 now has both jog and lope half pass, which is similar to classical's Third Level. It also features a release of contact at collected lope, full pivots, and lope immediately from a pivot. Pivots must establish a pivot foot and may pick up at the point of stress, but the pivot foot is planted

for the majority of the turn. The pivot must not be too quick like a reining spin and must maintain bend in the direction of travel.

Level 4 includes the back series, extended walk, 1 ½ pivots, full turns on the forehand, and quarter and half lope pirouettes. Just as in classical, rhythm must be maintained at the appropriate gait in the movement. Pivots must still maintain a regular speed and maintain a pivot foot (inside hind) which may only lift and place at the point of stress.

Level 5 is new in 2022. The degree of difficulty is extremely high in these tests and the horse must show a significant amount of lightness and thoroughness to successfully complete the requirements. While movements like series lead changes, full pirouettes, zig zag half passes, and double pivots follow the natural progression of training, the location and time between each movement are what makes these tests challenging yet fun.

Western dressage continues to grow as more horses and riders are joining the journey. NODA had 11 different horse/rider combinations receive year end awards in 2021, which shows steady growth over the past few years. It is an exciting time for western dressage and I know I'm looking forward to the progression of the sport!

Congratulations Sara Justice on earning Your USEF "r" Judge, Western Dressage!

Sara Justice is NODA's Western Dressage Liaison and long time NODA member. She rides and trains Ima Sizzlin Hot Te, "Cinnamon," an 8 year old, APHA solid bred, red roan, mare who stands at 15.1 hands.

Sara and Cinnamon
Hannah Durr Photography.

Sara attended her first Western dressage clinic in 2013, "because I was curious about the new discipline. Even though I did dressage as a kid, my mom bred and trained Quarter Horses, and western dressage combined two things I enjoy. I showed my AWSSR mare Piccolo through level 2 then wanted to bring a horse through the levels so bought a very green broke, Cinnamon."

In 2021 Sara and Cinnamon were reserve champion APHA PAC for dressage/Western dressage and reserve champion USNDC at intro all around. Sara's ultimate goal is to "bring Cinnamon to level 5, and possibly finish my classical dressage freestyle medals on her.... But first we need to do Basic level!"

Sarah is a USDF Gold, Silver, and Bronze medalist, L graduate, and USEF "r" judge in Western dressage. Sara hopes to earn her large "R" Judge in Western dressage soon. She would also like to go back and work on her USEF licensure for classical dressage.

CELEBRATING NODA'S WESTERN DRESSAGE RIDERS

Above: Diana Shale and Roscoe.
Photo courtesy of Carolyn McGinty

Diana Shale is age 18 - turning 19 in April. Diana has been a member of NODA for the last 5 years.

Accomplishments, all with Spot on Doolittle "Dewey," a Gypsy Vanner, who Diana sold in August. Accomplishments include, Region 2 Dressage Regionals in Training level- 2nd level, placing in 5th each time. All American Youth horse show 2'3" Equitation over Fences Champion. Diana won the Veronica Holt award 3 years in a row at Lake Erie Collage Prix De Ville show. And received the Joan Rapp award for NODA year end awards 3 years in a row. She was the All American Youth Horse Show Reserve 2x Champion in Equitation. And has earned her USDF Rider Performance Certificate for training, first and second level. Participating in the Region 2 Catherine B. Jacob Schooling Show Awards Program champion in 2017 (training level), 2018 (1st Level), 2019 (1st Level).

Currently, Diana's is working and training Roscoe, a 4 year old, 15.2 hand, Quarter horse, gelding owned by Rich Bradshaw. Diana's goals are to continue competing in Western Dressage and move up to Level 2. Her passion is dressage and Diana is looking forward to a summer of Western dressage competition.

Below: Jerri Chuey and 25 year old Mystie

Jerri Chuey's partner is Lees Little Pockets, "Mystie," a 25 year old, 15 hand, black and white, APHA mare. Jerri shares that "Mystie had no formal training when I purchased her almost 10 years ago. She was a child's horse for camp, 4H and trail riding. What I like so much about Mystie is her personality and movement. We started training Classical dressage soon after I purchased her and had much success. When the local shows started to offer Western dressage we jumped on board and again have had much success. We have trained with more than one area coach and have done a handfuls of classical and western clinics including Working Equitation. Mystie loves obstacle challenge's and trail rides.

We have accomplished so much it's almost impossible to list them all but the one that sticks out to me is our WDAA Reserve World Champion at second level in 2020. Our 2022 goals are to excel at level 3 Western dressage and to keep moving up the levels and maybe a freestyle performance this year. Because of Mistie's age it's been very challenging, but for now we will ride on!!"

Anne McClintock, a NODA member and professional, is currently training Payback Beacon, a 17 year old, Grey Arabian Gelding standing 15 hands and owned by Tracy Browne.

Payback Beacon is a former Endurance horse with over 1300 competition miles including a one day, 100 mile race. By cross training with dressage he has gained balance, self carriage and strength that he uses both in the dressage arena and on trail.

Currently Payback Beacon is in training with Anne McClintock in preparation for the US Sport Horse Nationals and will be competing in both Western dressage and classical dressage. He has earned a US National Top Ten in Arabian Dressage Training Level AAOTR in between his endurance races.

Anne trains out of Flow Equestrian Center in Chagrin Falls

Loretta Pettinato rides Pippa, a 13 year old, 14 hand, Haflinger (registered pony) and is from the Pittsburgh area. Loretta shares, “I rescued Pippa and knew I had to take a chance with her, but she was not broke to ride. Riders make it look so easy and effortless, well I am here to tell you it is not. I did not ride prior to obtaining Pippa and breaking her was not an easy task. It landed me in the hospital a few times with multiple broken ribs and I kept saying ‘what did I get involved in and what should we do next?’ I was going through a magazine and there it was an article about Western Dressage.

After my first Western dressage schooling show, I spoke with the Judge Rhianna Pankhurst, and asked if she would be willing to go on this adventure with us. She agreed and that was our start in Western Dressage. We have taken countless lessons and clinics and we could not be taking this wonderful journey without our team, Rhianna Pankhurst, Kristin Hermann, Maria Lyle, Jacqueline Ely, her farrier-David Bentrem, and Canon Hill Vet. They keep us proceeding in the right direction, keeping Pippa healthy, and having a blast doing it!

Pippa’s has showed through Third Level in recognized dressage and schooling Level 2 in Western dressage. Being a Haflinger, Pippa is very versatile and we have dabbled in trail obstacles, mounted shooting, bow and arrow and working equitation. My goal with Pippa for 2022 is to school level 2 in Western dressage and show at a recognized Western dressage show.

Below: Loretta Pettinato and Pippa

Thank you to our Western dressage members who sent in their bios and photos! NODA is happy to celebrate our riders who use classical dressage training methods along their journey with their horse!

Three Wishes
FREESTYLES

Interested in understanding how freestyles are put together? Curious as to how choreography is gamified? Ready to listen to all kinds of music? Join Collier Wimmer owner of Three Wishes Freestyles for a two-day freestyle clinic. Whether you are keen on understanding freestyle theory, looking to create a freestyle or simply wanting to find music to ride to, all are welcome! There will be music, food, learning, and fun.

Day One: Starting in the morning with a lecture on her work process and freestyle philosophies, Collier kicks us off with a freestyle breakfast chat. Then each horse/rider combination will have 50-minute lesson with Collier. As she gets to know the pair, together they will start to find the perfect music.

Day Two: A 50-minute lesson serves as a deep dive in to the music selection from the first day, along with beginning to map out pieces of the choreography.

After the clinic, riders and auditors will have Collier's contact info if they wish to continue to work on their freestyle or have questions! Collier will send each rider their music selections and any choreography they worked on.

GMO Sizes in Region 2 and Around the Country

Most GMOs have fewer than 100 members. Small clubs are good because everyone knows everyone, and develop close friendships. Large clubs are good because there is a bigger pool of people to volunteer to put on shows and events, and one can still develop friendships

In Region 2, the large clubs are

Illinois Dressage and Combined Training Association - 190 members Indiana Dressage Society - 174 members
Midwest Dressage Association (Michigan) - 106 members Northern Ohio Dressage Association - 200 members
Wisconsin Dressage & Combined Training Association - 101 members

Around the country, some of the really big clubs are

North Carolina Dressage & CTA - 400 members Virginia Dressage Association - 296 members
Oregon Dressage Society - 385 members California Dressage Society - 2075 members – really big!
New England Dressage Association - 936 members
