Lake Erie College is committed to the health and safety of our resident horses and all of our visiting competition horses. To encourage everyone on the premises to use good biosecurity measures to protect our horses, please follow these updated protocols when visiting the Lake Erie College George M. Humphrey Equestrian Center.

BIOSECURITY BEFORE THE SHOW:

1. **US Equestrian Vaccination Record:** All horses must show proof of vaccination for Influenza and Rhinopneumonitis (EHV-1/4) no less than 7 days and no more than 6 months before the show. Use the US Equestrian Vaccination Record for proof of vaccination of Influenza and Herpes. Send this to the show secretary with your show entry.
2. **US Equestrian Individual Temperature Log:** Record each horse's temperature on the US Equestrian Individual Temperature Log form TWICE A DAY beginning 10 days before the show, during the show and at home after the show. Present this document to the show secretary when you arrive on the show grounds.
3. **Lake Erie College Trainer/Owner Declaration Form:** This form must be completed and signed by the owner or trainer confirming that the horse has not experienced a fever exceeding 101.5 degrees or any illness for 10 days leading up to its arrival. The horse must not have been exposed to or treated for any unexplained fever. See the Owner/Trainer Declaration Form for the details.
4. **Negative Coggins:** All horses must show proof of a negative Coggins test within twelve months in their SHOW NAME. Send this to the show secretary with your entry.

Present these documents (#2 and #3) to the show secretary when you arrive on the show grounds before unloading your horse. DO NOT SEND THE TEMPERATURE LOG or OWNER TRAINER DECLARATION FORM IN ADVANCE. If you do not have these documents completed in accordance with the protocols, you will be asked to leave the show grounds.

BIOSECURITY AT THE SHOW

- Wash and disinfect your hands frequently.
- Do not handle or touch horses other than your own.
- Do not let your horse touch other horses, particularly nose-to-nose.
- Do not share water buckets, feed tubs, tack or other equipment between horses. If using a communal hose to water, do NOT let the hose dip down into the water buckets. Keep the hose end up high when filling your buckets.
- **REQUIRED Temperature Monitoring:** You are required to monitor the temperature of your horse twice a day while on the show grounds. Use the US Equestrian Individual Temperature Log. Keep this log sheet visible on the front of the stall. The Show Manager or designee will be checking these cards daily at various times. Report any temperature over 101.5 F to the Show Manager. If you fail to comply with this requirement, you will be required to remove your horse from the show grounds.
- All horses should be observed for abnormal clinical signs which may be indicative of a potential infectious disease. Lake Erie College reserves the right to test any horse that has a fever and/or clinical signs for an infectious disease at the owner's expense.

BIOSECURITY AFTER THE SHOW

- Clean and disinfect your tack, boots, equipment and grooming supplies.
- When you get home, shower, blow your nose, wash your hands and put on clean clothes and shoes before going near other horses at home.
- Isolate your show horse from other horses at home for 10 days, if possible.
- Continue to take your horse's temperature twice daily for 10 days after coming home. Please report any temperature over 101.5 F or illness after returning home to the Show Manager.

We wish all of our competitors and visitors a healthy and safe show here at Lake Erie College!

I declare the horses listed above have not exhibited a fever exceeding 101.5 degrees or any illness in the 10 days leading up to their arrival. Furthermore, within the past 28 days, the horses have not been exposed to or treated for an unexplained fever, and they must have tested negative for any disease at least 30 days prior to arrival. More information about these can be found at www.usef.org.

Force Majeure: In the event of a force majeure, this competition may be subject to cancellation. "Force majeure" shall mean fire, earthquake, flood, snow, ice, lightning, act of God, or the presence of contagious or infectious disease among humans (for example but not limited to Covid-19) or animals (for example but not limited to EHV 1/4 or strangles), work stoppages or other labor disturbances, riots or civil commotions, litigation, war or other act of foreign nation, power of government, or governmental agency or authority, or any other cause like or unlike any cause above mentioned which is beyond the control of the show management. In the event of cancellation before the show begins due to force majeure, all fees paid will be refunded.

Stabling and Tack: Bedding not provided - bagged shavings available for purchase. Please pre-order any shavings needed. Permanent box stalls and vinyl temporary stalls with doors (all are minimum size 10 X 10), both under roof. Stallions, horses over 17 hands and entries showing for entire weekend will be given preference for permanent stalls. Weekend stabling will have preference over day stall or overnight stabling. Due to the limited number of stalls available, we may be unable to honor requests for non-competing horses or tack stalls. Please direct all stabling questions to the show secretary Anne Sushko at (563) 580-0510 gandasushko@hotmail.com. Stalls will be available Friday at 9 am. Numbers must be worn whenever a horse is out of its stall. **NEW MANDATORY STALL DEPOSIT \$50 for every stall.** You will get your \$50 stall deposit back (credit card refund or destroyed separate check) if your stall is SWEEPED CLEAN and manure taken out to the manure pile. Thank you for your cooperation in stripping and sweeping your stall for us!

After the closing date, the USEF fee and qualifying fees and/or any nonmember fees, if paid, are refunded. No refunds for filled scratches. **NO REFUNDS FOR STABLING.** Waitlist exhibitors who are contacted for openings and accepted are fully responsible financially to the show. No other fees are refundable after the closing date for any reason, including in the event of cancellation of classes due to severe weather or other emergencies. We do request that all cancellations be called in so that adjustments may be made to the schedule.

No Shows: All "no-shows" who have not contacted the show office prior to their first ride will be considered a scratch/elimination for the rest of the weekend, are subject to the USEF fee, and their time slots will be filled.

Confirmation/Ride Times: Rides may be scheduled from early morning through evening each day. Confirmation of entry will be emailed. All email addresses must be clearly printed and legible. Provisional ride times and show updates will be emailed to competitors and will be posted at HorseShowOffice.com Wednesday before the show. Official times will be posted at the show office by noon Friday. It is the responsibility of the rider to inform the show secretary of any time conflicts as soon as possible after receiving provisional ride times.

Proof of membership: When entering the show electronically, USEF and USDF registration is verified electronically if valid and correct membership numbers are provided on the entry form.

Coggins: A negative Coggins (EIA) Report listing horse's recorded show name within one year of show dates is required for all horses on grounds. Show number and stabling will not be assigned without negative Coggins.

Vaccinations: As per GR844 Equine Vaccination Rule, competitors must have vaccination records for their horses available for inspection. Lake Erie College horse show management **REQUIRES** that all competitors show proof of the required USEF vaccinations at check-in for competitions at the George M. Humphrey Equestrian Center.

Breed Awards: High Point Breed awards will be given to horses registered in USDF All Breed Participating Organizations and other breed awards if available. Breed awards will be awarded based on SATURDAY ride scores only. Sunday rides will not count for breed awards. Competitors must bring copies of proof of their enrollment in their specific breed organization to the show. If a horse has multiple breed registrations, the competitor must choose which breed award s/he wishes for consideration.

Opportunity Classes are meant for entry-level riders wishing to participate in a recognized show experience but who do not wish to participate in USEF/USDF awards programs. Riders entering only Opportunity classes need not pay the USEF fee, USEF/USDF non-member fees or USDF HID fee. If riders also enter the USDF Introductory classes, then the USEF fee must be paid. Cross-entering into other regular classes requires payment of all missing USEF/USDF non-member and USDF HID fees. Scores from Opportunity classes are sent to the USEF and USDF but are not recorded or counted for their year-end awards. Riders in opportunity classes may compete wearing breeches and shirts (with sleeves and collar) of any color as permitted in DR120.8. Jackets are not required. Boots and protective headgear required as specified in DR120. 1 -6.

Pony Measurement: Ponies entered in FEI Pony Tests in need of USEF measurement cards must make an appointment for measuring with show management prior to the show. The official measurement session will be scheduled for 9:00 am on Saturday morning or as arranged by show management. Owners of ponies needing measurement will be charged a fee not to exceed \$100 to cover the fee charged by the official veterinarian required for the measurement. Please let the Entry Show Secretary Anne Sushko gandasushko@hotmail.com know in advance if you need your pony measured!

Dressage Seat Equitation: will be run as a group class. The purpose of the Dressage Seat Medal Program is to promote and reward correct seat, position and use of aids in dressage. For more information about this program, check DR133

Adult Amateur Equitation: Will be run as a group class. The purpose of the Adult Amateur Equitation Program recognizes adult amateurs competing in equitation and promotes correct seat, position, and use of the aids in dressage. For more information about this program, check DR133.

Awards: Ribbons to six places. Ribbons should be picked up in person and will not be mailed. Divisions (JR/AA/Open) may be run concurrently as one class. Divisions will be pinned separately. No separate awards for GAIG Qualifying classes. Champion and Reserve Champion High Point ribbons will be awarded to the top two high-score entries over the entire show (all days) in 1) Open and 2) Combined AA-JR/YR divisions at each of the following three levels:

- 3rd and 4th Level
- PSG, Intermediate I and all FEI/TOC

Intro, Opportunity, Freestyle, Young Horse, Equitation, ParaEquestrian and Materiale classes do not count for the championships.

Freestyle Classes: Except for USEF/USDF Championship classes and for FEI Pony Riders, FEI Junior, FEI Young Rider and FEI Para-Equestrian Freestyles, in order to enter a freestyle class at any level, a horse/rider combination must have received a minimum score of 63% for Training through Fourth levels and 60% for FEI levels in the highest test of the declared freestyle level or any test of a higher level at a USEF/USDF licensed Dressage Competition, Federation Licensed or FEI recognized Dressage Competition, or "open" Dressage class (i.e. open to all breeds) at a Federation Licensed Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class. A photocopy of the test verifying eligibility, or copy of the USDF score verification, must be submitted with the entry for a freestyle class.

FREESTYLE MUSIC: Music may be submitted electronically (digital files MP3 and/or WAV files) via email to the show manager Pam Hess at phess@lec.edu. Please CONFIRM with the show manager that your music has been received and downloaded successfully. Emailed digital files have worked very well for us recently.

If submitting CDs, must be clearly labeled with entry number and music directives, delivered to the show office at least two hours before the class starts, and picked up following the class. Unclaimed CDs will not be mailed. You may designate an assistant to direct the playing of your music. Sound tests may be scheduled for Friday from 3-6 pm or Saturday during the lunch break. Management recommends that you bring TWO CDs as we have had occasional problems with the first CD and have used the backup.

Arena: Indoor arenas: Dirt/sand footing. Standard-size dressage arena set inside 100' x 250' side walled Main indoor arena. Smaller attached indoor warm-up 70' x 120'. Inspiration Arena: 238' x 76' side-walled indoor arena with dirt/sand footing. Intro through Training 2 may be in a small dressage arena (20 m x 40 m). Intro through Training 2 may be in the Inspiration Arena only if the show is heavily oversubscribed and entries necessitate adding this additional competition arena. Training 3 and higher will be in the large Main arena (20 m x 60 m). Outdoor arena: Standard-size dressage arena (20 m x 60 m) will be set inside a 100' x 250' fenced-in outdoor arena with limestone footing. Warmup may be on the Hunt Field on a limestone arena (no fencing) if weather permits. If the weather is inclement, riders may warm up in the indoor Inspiration Arena.

Footing: Preparation and consulting for indoor (dirt/sand) and outdoor (limestone) arenas at Lake Erie College provided by Lake Erie College.

Schooling and Lunging: Schooling is permitted in the competition arena Friday 9 am through 8 pm. Schooling will be permitted immediately after the last class on Saturday for 30 minutes. Lunging is allowed only in designated lunging areas. If bad weather exists, then lunging will be scheduled for indoor areas and times will be posted in the show office. Mounted schooling is never permitted in the same area as lunging. Lunging and schooling in the Inspiration Arena will be permitted throughout the show weekend.

IMPORTANT USEF RULE AFFECTING ALL COMPETITORS

Competitors - please note that Lake Erie College horse show management reserves the right to require that all competitors show their proof of vaccinations at check-in for licensed competitions at the George M. Humphrey Equestrian Center. Should current local equine health circumstances require extra vigilance on the part of horse show management, you might be asked to show proof of the required USEF vaccinations at check in.

GR844 Equine Vaccination Rule

1. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letter-head stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.
5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.
BOD 1/17/15 Effective 12/1/1515

Rationale for GR844

Over the last 7-8 years there have been several high-profile Equine Herpes (EHV) outbreaks that have involved the neuropathic strain of the virus (equine herpesvirus myeloecephalopathy-EHM). Influenza outbreaks don't get nearly the same attention as EHV /EHM but they do occur.

The American Association of Equine Practitioners (AAEP) publishes vaccination guidelines that are reviewed by infectious disease experts every few years. The current guidelines recommend vaccinating competition horses at 6-month intervals for both equine influenza (Flu) and rhinopneumonitis (EHV-1 and EHV-4). It is important to point out that no vaccine protects against the paralytic neurologic disease (EHM), but the intent of vaccination is to reduce the spreading of virus which will hopefully minimize outbreaks in which EHM is manifested.

In many parts of the world the vaccination of horses is covered by national law. The FEI has a requirement for all horses to be vaccinated for influenza within the previous six months. The new USEF vaccination rule is General Rule 845 and will go into effect 12/1/15. This rule is consistent with the AAEP recommendation.

This rule change does not anticipate an increase of work for competition management. Most competitions, when horses are being checked in, require a health certificate and a negative Coggins test. The flu vaccination information can be added to either document. The requirements of this rule have not been made to be onerous on any group. However, it is important to point out that the responsibility lies with the competitor to provide documentation if requested by Competition Management. It is not a requirement that every competition verifies such documentation. If vaccination documentation will be reviewed upon arrival at a competition, it is recommended that this be published in the prize list.

If Competition Management chooses to verify the required documentation, any competitor that fails to provide the appropriate documentation of vaccination pursuant to the new rule may be asked to remove the horse from the grounds. If further clarification is necessary, please contact the Equine Drugs and Medications office at 800-633-2472.

ATTENTION COMPETITORS

USEF rule DR 120.6 requires that **PROTECTIVE HEADGEAR** meeting or exceeding ASTM/SEI standards forequestrian use **be worn at all times by anyone mounted on a horse on the competition grounds.**

Each competitor is responsible for supplying management with correct applicable numbers (USDF and USEF) for horse, owner, rider, and trainer, before the day(s) of the competition. The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

Motorized Vehicle Statement 2024

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

2. Ensure athlete is evaluated by an appropriate health care professional. Do not try to judge the seriousness of the injury yourself.
3. Allow athlete to return to practice/competition only with permission from the appropriate health care professional.

Athletes competing in USEF competitions should refer to General Rule 1316 for the USEF rules on returning to competition.

WAIVER AND RELEASE OF LIABILITY, ASSUMPTION OF RISK AND INDEMNITY AGREEMENT

For and in consideration of United States Equestrian Federation, Inc. dba US Equestrian ("USEF") allowing me, the undersigned, to participate in any capacity (including as a rider, driver, handler, vaulter, longeur, lessee, owner, agent, coach, official, trainer or volunteer) in a USEF sanctioned, licensed or approved event or activity, including but not limited to equestrian clinics, practices, shows, competitions and related or incidental activities and _____ ("USEF Event" or "USEF Events"); I, for myself, and on behalf of my spouse, children, heirs and next of kin, and any legal and personal representatives, executors, administrators, successors, and assigns, hereby agree to and make the following contractual representations pursuant to this Agreement (the "Agreement"):

A. RULES AND REGULATIONS: I hereby agree to be bound and abide by the rules, regulations, and policies of USEF as published in the USEF Rule Book and on the website at www.usef.org, as amended from time to time.

B. ACKNOWLEDGMENT OF RISK: I knowingly, willingly, and voluntarily acknowledge the inherent risks associated with the sport of equestrian and know that horseback riding and related equestrian activities are inherently dangerous, and that participation in any USEF Event involves inherent risks and dangers. "Inherent risk of an equine activity" means a danger or condition that is an integral part of an equine activity, including, but not limited to, any of the following: (a) The propensity of an equine to behave in ways that may result in injury, death, or loss to persons on or around the equine; (b) The unpredictability of an equine's reaction to sounds, sudden movement, unfamiliar objects, persons, or other animals; (c) Hazards, including, but not limited to, surface or subsurface conditions; (d) A collision with another equine, another animal, a person, or an object; (e) The potential of an equine activity participant to act in a negligent manner that may contribute to injury, death, or loss to the person of the participant or to other persons, including, but not limited to, failing to maintain control over an equine or failing to act within the ability of the participant; (f) the potential for serious bodily injury (including broken bones, head or neck injuries), sickness and disease (including communicable diseases), trauma, pain & suffering, permanent disability, paralysis and death; (g) loss of or damage to personal property (including my mount & equipment) arising out of the unpredictable behavior of horses; (h) exposure to extreme conditions and circumstances; accidents involving other participants, event staff, volunteers or spectators; (i) contact or collision with other participants and horses, natural or manmade objects; (j) adverse weather conditions; (k) facilities issues and premises conditions; (l) failure of protective equipment (including helmets); (m) inadequate safety measures; (n) participants of varying skill levels; (o) situations beyond the immediate control of the USEF Event organizers and competition management; and (p) other undefined, not readily foreseeable and presently unknown risks and dangers ("Risks").

EQUINE ACTIVITY LIABILITY ACT WARNING:

CAUTION: HORSEBACK RIDING AND EQUINE ACTIVITIES CAN BE DANGEROUS. RIDE AT YOUR OWN RISK.

Under the laws of most States, an equine activity sponsor or equine professional is not liable for any injury to, or the death of, a participant in equine activities resulting from the inherent risks of equine activities.

C. ASSUMPTION OF RISK: I understand that the aforementioned Risks may be caused in whole or in part or result directly or indirectly from the negligence of my own actions or inactions, the actions or inactions of others participating in the USEF Events, or the negligent acts or omissions of the Released Parties defined below, and I hereby voluntarily and knowingly assume all such Risks and responsibility for any damages, liabilities, losses, or expenses that I incur as a result of my participation in any USEF Events. I also agree to be responsible for any injury or damage caused by me, my horse, my employees or contractors under my direction and control at any USEF Event.

D. WAIVER AND RELEASE OF LIABILITY, HOLD HARMLESS AND INDEMNITY: In conjunction with my participation in any USEF Event, I hereby release, waive and covenant not to sue, and further agree to indemnify, defend and hold harmless the following parties: USEF, USEF Recognized Affiliate Associations, the United States Olympic & Paralympic Committee (USOPC), USEF clubs, members, Event participants (including athletes/riders, coaches, trainers, judges/officials, and other personnel), the Event owner, licensee, and competition managers; the promoters, sponsors, or advertisers of any USEF Event; any charity or other beneficiary which may benefit from the USEF Event; the owners, managers, or lessors of any facilities or premises where a USEF Event may be held; and all directors, officers, employees, agents, contractors, and volunteers of any of the aforementioned parties (**Individually and Collectively, the "Released Parties" or "Event Organizers"**), with respect to any liability, claim(s), demand(s), cause(s) of action, damage(s), loss, or expense (including court costs and reasonable attorney fees) of any kind or nature ("**Liability**") which may arise out of, result from, or relate in any way to my participation in the USEF Events, including claims for Liability caused in whole or in part by the negligent acts or omissions of the Released Parties.

E. COMPLETE AGREEMENT AND SEVERABILITY CLAUSE: This Agreement represents the complete understanding between the parties regarding these issues and no oral representations, statements or inducements have been made apart from this Agreement. If any provision of this Agreement is held to be unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from this Agreement and shall not affect the validity and enforceability of any remaining provisions.
