

Summit County Fairgrounds Show- safety protocols and information

Please be aware that we are trying to run a safe show for everyone! THIS show is a ONE RING show only. Once it is filled a wait list will be created.

Anyone who exhibits COVID-19 symptoms, has tested positive for COVID-19 within last two weeks, or has been in contact with someone who has tested positive for COVID-19 within the last two weeks, cannot enter the competition grounds. **Exception: Healthcare personnel who have treated patients using appropriate medical-grade PPE during the course of performing professional duties are exempted from this restriction.*

- No stalls will be available at this show. Plan to work off your trailer.
- Competitors MUST have all forms completed on line, correctly, with all signatures IN ADVANCE in order to receive ride times. NODA and Summit County Fairground releases must be filled out in advance. Note: You may only bring one other person besides yourself and your professional and they MUST have a NODA/Summit County Fairground release on file. It is the competitor's responsibility to ensure that releases are on file.
- Ride times will be scheduled to ensure that you can come in, ride your tests and leave as soon as possible. If you are traveling with someone else, we must get an email with that information so that we can schedule appropriately. We need to limit the amount of time competitors are at the show.
- Competitor envelopes with your bridle number (that you may keep) and ride time will be available for pick up at the tent office located right outside of the main office. This is also where you can pick up your tests when done. If due to scheduling your class is not completed when you are done, we will mail ribbons and results will be posted on the website as soon as possible. Please do not wait around for results.
- We will have sanitation stations located by the office tent, the paddock, and the two rings for your convenience. The restrooms in the main office will be open but the office itself will be closed. Please come in, use the restroom and leave the area.
- Anyone on the grounds MUST wear a mask. Riders do not need to wear a mask when mounted, but may if preferred.
- There will be no food on the grounds and no water/carrots available after your ride. Please plan accordingly.
- Volunteers will be asked to remain 6 feet away from everyone- please do not crowd them. Scribes will wear a mask and sit next to a plexiglass shield. Runners will pick up the tests in a folder and deliver to the office tent.
- Any questions about the fairgrounds should be directed to Sara Justice at 908-240-6949. Any show related/scheduling questions should be directed to Niki Sackman.
